Subject: RE: UT-190574 - Frontier Transfer - Letter regarding Settlement Procedural Schedule

Thank you, Ms. Suetake. Please inform me when Public Counsel has made a decision, and if you do not join the settlement, please propose a date for filing responsive testimony. I have checked the Commissioners' calendars, and there is no date available for a hearing in this matter before the scheduled hearing date. Accordingly, the parties should anticipate that after hearing from Public Counsel, I will issue a notice adopting Staff's proposed schedule with the addition of a date for Public Counsel's response testimony, if necessary, and stating that the Commission will consider the companies' request to proceed on a paper record after receiving all prefiled testimony.

Judge Kopta,

Public Counsel should know by the end of Tuesday, November 26 whether we will be joining the settlement agreement. I was intending on emailing the parties to inform them. I would be happy to include you on that email as well unless you would prefer some other means of receiving the information.

Subject: Re: UT-190574 - Frontier Transfer - Letter regarding Settlement Procedural Schedule

Counsel,

I will check on the Commissioners' availability for an earlier hearing date, although I'm not optimistic that we can find one. When and how will Public Counsel confirm whether it is joining the settlement agreement? If it doesn't join, we will need to provide it with an opportunity to file responsive testimony, which would likely mean the hearing date could not be moved up, even if we could find a mutually acceptable earlier date.
