^BFor residential, domestic direct-dialed calls only. Offer not available in all areas. Must subscribe to AT&T Local, Local Toll and Long Distance to be eligible for this offer. A per-line fee for local service (FCC Line Charge), Universal Connectivity Charge and other charges apply.

* AT&T Local Service and some features not available in all areas. Some features may not be compatible. For residential customers only. A per line access fee for Local Service (FCC Line Charge), Universal Connectivity Charge and other charges apply.

‡Subject to billing availability. You must be an AT&T Residential Long Distance subscriber. A Universal Connectivity Charge also applies. In some states, a monthly in-state charge and additional per minute rate for international calls terminating on wireless devices may apply. City Savings eligible calls to mobile phones or other wireless devices will be billed at the country rate. A regulatory assessment fee of 99 cents applies if you discontinue AT&T Local Service, but remain with AT&T Residential long distance service.

‡Caller ID equipment is required.

§There is a one-time set-up charge of \$10.00 for new voicemail customers.

†Long Distance offer is subject to billing availability. A Universal Connectivity Charge of 9.2% applies, effective October 1, 2003. You must be an AT&T residential long distance and local toll subscriber to receive the state-to-state, in-state and local toll rates quoted for this plan.

^BYou must be an AT&T Residential Long Distance and AT&T Local Toll Service subscriber to receive the state-to-state, in state and local toll rates. Calls to many wireless phones and many broadband telephony customers are not included in the unlimited calls and will be rated at 7¢ a minute. This offer is not compatible with most free minute and bill credit promotions. No call detail will be provided for unlimited calls. Upon enrollment, you will be charged for this month's and next month's fee. If you are currently on a calling plan that includes a monthly fee, you will receive a credit for that amount. Subject to billing availability. State charges may apply.

+ A \$5.00 monthly minimum usage requirement applies beginning with your first complete monthly bill. All you have to do is make \$5.00 a month in qualifying calls. Qualifying calls include direct-dialed domestic and international long distance and local toll calls, AT&T Calling Card calls, collect calls, and operator assisted calls. Taxes and the Universal Connectivity Charge do not apply to the usage minimum. If you do not meet the minimum usage of \$5.00, you will be charged the difference between what you use and \$5.00.

° Program enrollment ends 3/31/04.

^BIf you sign up for AT&T Complete Maintenance PlanSM or AT&T Telephone Protection Plan, you agree to the Terms and Conditions for that plan. Please [click here](#) to read them now. These Terms and Conditions will also be included in your fulfillment kit.

° AT&T will repair any problem with your inside wire or telephone jacks at no additional cost. Requires continued AT&T basic telephone service. This plan will not go into effect until 30 days after your AT&T telephone service has been established. If you live in an apartment building, dorm, condo, co-op, nursing home, or other group living facility, contact your landlord or manager to determine your responsibility for the inside wiring so that you can better decide whether this feature would benefit you.
