**RE: Dockets UE-220053, UG-22054, and UE-210854 – Multi-Year Rate Plan Metrics
 Compliance Filing**

Dear Ms. Maxwell:

In compliance with paragraph 193 of Final Order 10/04 in Dockets UE-220053, UG-220054, and UE-210854 (*Consolidated*), Avista Corporation, dba Avista Utilities (Avista or the Company), hereby provides its compliance filing, which includes the measures and calculations outlined in Table 8 of the Final Order for the years 2019-2022.

Regarding the Operational Efficiency and Earnings metrics required, the Company has provided the data available as of the time of this filing, which is calendar years 2019-2021. Data for calendar year 2022 will not be available until after the Company's next earnings call, scheduled for February 22, 2023, or until the Company's FERC Form 1 has been filed by the end of April. As such, the Company will supplement this compliance filing with the 2022 non-public material information when available.

In future years, Avista is required to report the performance measures outlined in Table 8 within 45 days following the end of each calendar year. Similar to 2022, the Company will not be able to provide the Operational Efficiency and Earnings metrics for subsequent years until after its Q1 earnings call or until the Company's FERC Form 1 has been filed. Avista will file what data is available within 45 days following the end of each calendar year and for any non-public material information, will supplement its report when the data becomes available.

If you have any questions regarding this filing, you can contact me at 509-495-2782 or shawn.bonfield@avistacorp.com.

Sincerely,

/s/ Shawn Bonfield
