Re: Docket No. UT-063038 – Qwest Complaint re: VNXX  
Extension of schedule

Dear Ms. Washburn:

This docket is a complaint case brought under RCW 80.04.110. That statute mandates completion of a complaint proceeding within 10 months after the complaint is brought. In this case, the parties have proposed, and the Commission has accepted, a schedule that will extend the case beyond the 10 month deadline. This letter is simply to confirm that Qwest agrees with the schedule as established in the prehearing conference order dated July 20, 2006, and waives any objection to the case not completing within the statutory deadline.

Sincerely,

Lisa A. Anderl
