BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION, Complainant,

v.

PACIFICORP d/b/a PACIFIC POWER & LIGHT COMPANY, Respondent.

DOCKET UE-210402

ORDER 01

COMPLAINT AND ORDER SUSPENDING TARIFF REVISIONS

BACKGROUND

1 On June 1, 2021, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective tariff WN U-76, as listed in the appendix attached to this Order. PacifiCorp characterizes its filing as a Power Cost Only Rate Case (PCORC). In PacifiCorp’s last general rate case, the Commission approved a full settlement, subject to conditions, which required the Company to file a PCORC by June 1, 2021.¹

2 Specifically, PacifiCorp proposes in this filing to increase electric rates by $13.1 million, or an average increase of approximately 3.73 percent across all customer classes, with a stated effective date of January 1, 2022.

¹ WUTC v. PacifiCorp d/b/a Pacific Power & Light Company, Docket UE-191024 (consolidated) Final Order 09 ¶ 64 (December 14, 2020) (“The Parties agree that PacifiCorp will file a PCORC by June 1, 2021.”).
DISCUSSION AND DECISION

PacifiCorp’s requested increase might injuriously affect the rights and interests of the public, and PacifiCorp has not demonstrated that the increase would result in rates that are fair, just, reasonable, and sufficient. Pursuant to RCW 80.04.130(1), the Commission, therefore, suspends the tariff filing and will hold public hearings, if necessary, to determine whether the proposed increases are fair, just, reasonable, and sufficient.

FINDINGS AND CONCLUSIONS

(1) The Commission is an agency of the State of Washington vested by statute with the authority to regulate rates, regulations, and practices of public service companies, including electric companies.

(2) PacifiCorp is an electric company and a public service company subject to Commission jurisdiction.

(3) The tariff revisions PacifiCorp filed on June 1, 2021, would increase charges and rates for service provided by PacifiCorp and might injuriously affect the rights and interest of the public.

(4) PacifiCorp has not yet demonstrated that the tariff revisions would result in rates that are fair, just, reasonable, and sufficient.

(5) In order to carry out the duties imposed upon the Commission by law, and as authorized in RCW 80.04.130, the Commission believes it is necessary to investigate PacifiCorp’s books, accounts, practices and activities; to make a valuation or appraisal of PacifiCorp’s property; and to investigate and appraise various phases of PacifiCorp’s operations.

(6) The Commission finds that this docket meets the criteria of WAC 480-07-400(2)(b)(i) and that the parties may conduct discovery pursuant to the Commission’s discovery rules in WAC 480-07-400 – 425.

(7) As required by RCW 80.04.130(4), PacifiCorp bears the burden to prove that the proposed increases are fair, just, reasonable, and sufficient.

(8) PacifiCorp may be required to pay the expenses reasonably attributable and allocable to such an investigation, consistent with RCW 80.20.
ORDER

THE COMMISSION ORDERS:

12   (1) The tariff revisions PacifiCorp d/b/a Pacific Power & Light Company filed on June 1, 2021, are suspended.

13   (2) The Commission will hold hearings at such times and places as may be required.

14   (3) PacifiCorp d/b/a Pacific Power & Light Company must not change or alter the tariffs filed in this docket during the suspension period unless authorized by the Commission.

15   (4) The Commission will institute an investigation of PacifiCorp d/b/a Pacific Power & Light Company’s books, accounts, practices, activities, property, and operations as described above.

16   (5) The parties may conduct discovery pursuant to the Commission’s discovery rules in WAC 480-07-400 – 425.

17   (6) PacifiCorp d/b/a Pacific Power & Light Company shall pay the expenses reasonably attributable and allocable to the Commission’s investigation to the extent required in Chapter 80.20 RCW.
