1 On May 23, 2014, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-60, designated as the Schedule 95 “Power Cost Adjustment Clause.” PSE seeks to revise its Power Cost Rate reflected in Schedule 95, in order to reflect decreases in the Company’s overall normalized power supply costs. The Company’s filing would decrease charges and rates for electric service customers by approximately \$9,554,847 or 0.456 percent. This power cost only rate case filing is authorized by the Settlement Stipulation approved by the Commission in Dockets UE-011570 and UG-011571.

2 The Commission suspended operation of the tariffs on June 12, 2014, by Order 01 entered in this docket. PSE requests that the Commission set an expedited procedural schedule in this proceeding that allows this matter to conclude within the sixth month period and requests that the Commission enter a final order by November 24, 2014. PSE also requests, by motion, that the Commission enter its standard form of Protective Order. The Commission, by Order 02, entered a standard form of Protective Order in this docket on June 13, 2014.

3 **STATUTORY AUTHORITY:** The Commission has jurisdiction over this matter under RCW Title 80, and has legal authority to regulate the rates, services, and practices of electric utilities.
