RE: *In the Matter of Northwest Natural Gas Company's Application for Approval of Corporate Reorganization to Create a Holding Company,*
Docket UG-170094

TO ALL PARTIES:

On December 28, 2017, the Washington Utilities and Transportation Commission (Commission) entered its final order, Order 01, Approving Application Subject to Conditions (Order 01) in docket UG-170094. On March 13, 2018, Order 01 was amended to incorporate a list of commitments with which Northwest Natural Gas Company (NWN-U or Company) must comply. This list includes Commitment 40, which states:

Within 90 days after HoldCo acquires or creates a new subsidiary entity, HoldCo shall file with the Commission a statement that provides the name of the subsidiary, the total value of its assets, the nature of the subsidiary's business and whether it will do business with NW Natural.

On June 10 and 12, 2019, HoldCo formed three new subsidiaries, and on August 29, 2019, NWN-U, on behalf of HoldCo, submitted a Statement of New Subsidiary.

The Commission finds that the statement filed on August 29, 2019, complies with the terms of Order 01.
