RE: *Puget Sound Energy's Proposed Sale of Non-Controlling Interest in Puget Holdings LLC, Docket U-180680*

TO ALL PARTIES:

On March 11, 2019, the Washington Utilities and Transportation Commission (Commission) issued Final Order 06 (Corrected), Approving Multiparty Settlement; Authorizing Proposed Transactions (Final Order). The Final Order, among other things, approved Commitment 44, requiring Puget Sound Energy (PSE or Company) to devote financial and staff resources to assist with a low-income needs assessment study.

On November 13 and December 29, 2021, PSE filed with the Commission its Phase 1 and Phase 2 Low-Income Needs Assessments (collectively referred to as the Reports).

On January 21, 2022, Staff filed a letter stating that it had reviewed the Reports, believes they contain all sufficient details with respect to the Final Order 06 (and Commitment 44), and recommends that the Commission find that the filing complies with the Final Order.

The Commission has reviewed the Reports and finds that they comply with the Final Order in the above-referenced docket.
