WUTC STAFF DATA REQUEST NO. 130:

RE: Miscellaneous

Please provide daily injection, withdrawal and inventory data for Clay Basin for 2014-2023.

Response:

Puget Sound Energy (“PSE”) objects to WUTC Staff Data Request No. 130 as overly broad, unduly burdensome, and not reasonably calculated to lead to the discovery of admissible evidence, with respect to the request for ten years of data. Without waiving the objections and subject thereto, PSE responds as follows:

Attached as Attachment A to PSE’s Response to WUTC Staff Data Request No. 130 please find a Microsoft Excel file with PSE’s daily storage injections and withdrawals for Clay Basin from August 1, 2016, through December 31, 2023. PSE does not have daily injection and withdrawal data prior to August 1, 2016. Attached as Attachment B to PSE’s Response to WUTC Staff Data Request No. 130 please find a Microsoft Excel file with PSE’s monthly storage injections and withdrawals for Clay Basin from January 2014 through July 2016.

Shaded information is designated as CONFIDENTIAL per Protective Order in Dockets UE-240004 and UG-240005 as marked in Puget Sound Energy’s Response to WUTC Staff Data Request No. 130 Attachments A-B.
