

Modifications to Exhibit K and Exhibit B1 to Reflect Replacement PO-20
When the First Measurement Stabilization Period for the Expanded Measure Has
Been Completed

1. On page 9 of Exhibit K, delete the following: “PO-20: Manual Service Order Accuracy.”
2. On page 9 of Exhibit K, delete the following (located in the paragraph following the deletion referenced in 1. above): “PO-20 shall have two product disaggregations – Resale POTS / UNE-P (POTS) and Unbundled Loops (Analog and Non-Loaded 2-Wire).”
3. On page 9 of Exhibit K, in Table 5, delete the row entitled “PO-20” and the seven following rows.
4. Delete Exhibit B1.
