Dear Mr. Danner:

On April 16, 2010, the Washington State Utilities and Transportation Commission ("WUTC") issued a Final Order Approving and Adopting, Subject to Conditions, Multiparty Settlement Agreements and Authorizing Transaction ("Approval Order"). At paragraph 213 (pages 88-90) of the Approval Order, the WUTC identified modifications to the settlement provisions and additional conditions and directed Frontier and Verizon, as applicable, to provide the WUTC with written acceptance of the identified provisions and conditions. In accordance with the Approval Order, Frontier Communications Corporation ("Frontier") hereby notifies the Commission that Frontier accepts the modifications to the settlement provisions and additional conditions specified as applicable to Frontier in paragraph 213 of the Approval Order.

Sincerely,
