Dear Mr. Johnson:

RE: UE-140188/UG-140189  
Electric and Natural Gas Decoupling Mechanism  
Quarterly Report

On February 14, 2020, Avista provided its Electric and Natural Gas Decoupling Mechanism Report for 4<sup>th</sup> quarter 2019 confidentially pursuant to WAC 480-07-160 as the Company had not at that time released its earnings for 2019. The Company's 2019 earnings have since been released and the Electric and Natural Gas Decoupling Mechanism Quarterly Report for 4<sup>th</sup> quarter 2019 is no longer confidential. Please supplement the February 14 filing with this unrestricted version.

Attached for filing with the Commission is an electronic copy of the Electric and Natural Gas Decoupling Mechanism Quarterly Report.

The report consists of spreadsheets showing the monthly revenue deferral calculations for October, November and December 2019.

Also included in the report are the monthly general ledger balances resulting from the deferral and amortization activity during the 4<sup>th</sup> quarter of 2019.

Questions regarding this filing should be directed to Tara Knox at (509) 495-4325.

Sincerely,

Patrick Ehrbar  
Director of Regulatory Affairs
