RE: 2017 Qualifying Storm Events

Dear Mr. King:

Pursuant to the paragraph 246 of Final Order No. 6, Docket Nos. UE-040641 and UG-040640 et al.¹, for the purpose of the Catastrophic Storm Loss Deferral Mechanism, Puget Sound Energy ("PSE") hereby provides notification that a qualifying storm event occurred on February 4, 2017, which marked the first event for 2017.

The snow storm started on February 4th has resulted in restoration costs to be accrued toward the \$8 million deferral treatment threshold for the 2017 storm damage accounting. PSE anticipates the restoration costs for this storm event will qualify as outlined in the above referenced proceeding.
