

MEMORANDUM

August 23, 2002

TO: Marilyn Showalter, Chairwoman
Richard Hemstad, Commissioner
Patrick Oshie, Commissioner
Carole Washburn, Executive Secretary

FROM: Cathie Anderson, Regulatory Analyst

SUBJECT: TC-001846
Bremerton-Kitsap Airporter, Inc., C-903

The Commission's Fifth Supplemental Order in this filing, served on August 2, 2002, provided:

1. Bremerton-Kitsap Airporter (Bremerton-Kitsap) was required to increase fares by \$2.75 on its Pierce County/Fort Lewis/McChord route and to decrease fares by \$2.00 on its Bremerton/ Tacoma route.
2. Bremerton-Kitsap was authorized and required to make appropriate compliance filings to implement the rate amendments. The Order required the filing be made within ten business days following service of the order.
3. Commission staff was required to analyze the company's filings and report on the results of that analysis within five business days of the company's filing.
4. The Commission Secretary was authorized to accept by letter, with copies to all parties to the proceeding, the company's filing if it complies with the requirements of the Order. Staff submitted the attached proposed approval order.

Bremerton-Kitsap submitted its compliance filing on August 16, 2002. This complies with the timeframe prescribed by the Commission's Order.

Staff analysis of the initial Bremerton-Kitsap compliance filing found that some errors had been made in the filing. Staff contacted Bremerton-Kitsap and the company refiled sheets to correct those errors. With submission of the corrected tariff sheets, Bremerton-Kitsap's tariff complies with the provisions of the Commission's Fifth Supplemental Order and should be accepted.
