Subject Dennis Moving & Storage, Inc.

Sally,

On July 5, 2006, in docket TV-060980, Dennis Moving & Storage, Inc. was issued a \$100 penalty assessment for failing to file its 2005 Annual Report by May 1, 2006. The company did not request mitigation of the penalty and has not paid it either. On October 27, 2006, the commission canceled permit HG-846 issued to Dennis Moving & Storage, Inc., for lack of proper insurance on file.

I am requesting your permission to have the \$100 penalty assessment written off as Dennis

Moving & Storage, Inc. no longer has a valid household goods moving permit and collection of the debt is unlikely.

Thank you,  
Sheri
