**Subject:** UE-141368 In re Petition of PSE - notice of settlement

Dear Judge Friedlander,

This email is in follow up to my phone call this afternoon, at your request, to inform you on behalf of the parties in this docket that a multi-party settlement has been reached in the above docket. The parties are in the process of collecting signatures on the agreement, for filing shortly. It is our intent to follow up with filing supporting documents as soon as possible thereafter. The parties request the Commission suspend the procedural schedule in light of the settlement. Thank you for your consideration.

Sincerely,

Michael A. Fassio
