CROS MANAGEMEN

Re: Docket No. Dockets UE-150204 and UG-150205 Bench Requests Nos. 4 - 7

Dear Mr. King:

Enclosed for filing with the Commission are an original and 6 copies of Avista's responses to Bench Requests Nos. 4 - 7 issued by Administrative Law Judge Marguerite Friedlander. Per discussions with Judge Friedlander, Bench Request No. 8 is no longer required for submission as the Company has confirmed it had filed electronically, in full, the requested information related to Exhibit No. JMK-10C within the submission of prefiled rebuttal testimony and exhibits.

Also included, is a more readable font, is Public Counsel Cross Exhibit No. LDL-8, which is Avista's original response to Staff Data Request No. 112. Avista originally provided Attachment A of the response in electronic excel format only. Public Counsel created a PDF version of Attachment A as part of its Cross Exhibit No. LDL-8, but was difficult to read. Both the original electronic excel version and a readable PDF version are being provided.

Finally, an original and 6 copies of an errata page for the Rebuttal Testimony of Elizabeth M. Andrews, page 6, regarding Table No. 2, are included with two corrected numbers in lines 18 and 20, as referenced during the hearing.

Please direct any questions related to this filing to Liz Andrews at (509) 495-8601.

Sincerely,

David Meyer

VP and Chief Counsel for Regulatory and Governmental Affairs Enclosures
