**Re: Puget Sound Energy 2017 General Rate Case
Docket Nos. UE-170033 and UG-170034**

Dear Mr. King:

Enclosed for filing please find the original and eleven (11) copies of the following:

- (1) a revised Second Exhibit to the Prefiled Direct Testimony of John J. Spanos, Exh. JJS-3r; and
- (2) Certificate of Service.

It was discovered that the version of the Second Exhibit to the Prefiled Direct Testimony of John J. Spanos, Exh. JJS-3, filed with the Commission on January 13, 2017, was missing a page that should have been located between pages 605 and 606 of that exhibit. The electronic file included with this filing (170033-170034 JJS-3r PSE Spanos 2017.05.11.pdf) includes a revised Second Exhibit to the Prefiled Direct Testimony of John J. Spanos, Exh. JJS-3r, with such page inserted as page 605A. Rather than print multiple copies of an exhibit over 700 pages in length, the paper copies included with this filing consist solely of (i) a revised cover page (indicating the date of this revision) and (ii) a page 605A for insertion between pages 605 and 606 of the previously filed Second Exhibit to the Prefiled Direct Testimony of John J. Spanos, Exh. JJS-3. Please contact me if you have any questions regarding this filing.

Very truly yours,

/s/ Jason Kuzma
