**NOTICE CONCERNING UPDATED WORKSHOP 4 EXHIBIT LIST**

**(February 1, 2002)**

RE: In the Matter of the Investigation Into U S WEST COMMUNICATIONS, INC.'s Compliance with Section 271 of the Telecommunications Act of 1996, Docket No. UT-003022; In the Matter of U S WEST COMMUNICATIONS, INC.'s Statement of Generally Available Terms Pursuant to Section 252(f) of the Telecommunications Act of 1996, Docket No. UT-003040.

TO PARTIES OF RECORD:

Since the follow up sessions to Workshop 4 in this proceeding, I have marked and admitted a number of exhibits. I have updated the exhibit list for the workshop to reflect these additional exhibits. I am attaching a copy to this notice for the parties' review. Please notify the Commission of any errors or problems with this updated exhibit list by the close of business, **Friday, February 1, 2002.**

While revising the exhibit list, it has come to my attention that in the 16<sup>th</sup> Supplemental Order I had marked and admitted as Exhibit 1171-C the confidential portion of the June 26, 2001 Multi-state 271 workshop transcript concerning public interest issues. During the January 10, 2002 oral argument to the Commission on contested issues in Workshop 4, I marked and admitted as Exhibit 1171 Qwest's Response to Bench Request No. 32. Please note that I have renumbered the confidential portion of the June 26, 2001 Multi-state 271 transcript as Exhibit 1088-C.

Sincerely,

ANN E. RENDAHL  
Administrative Law Judge
