RE: **Compliance Filing—Order 05 in Docket UE-130043
Revisions to PacifiCorp's General Tariffs**

On December 6, 2013, PacifiCorp d/b/a Pacific Power & Light (the Company) submitted revised tariff sheets in compliance with Washington Utilities and Transportation Commission Order 05 in Docket UE-130043, in accordance with RCW 80.28.060, WAC 480-07-550, WAC 480-07-880, and WAC Chapter 480-80. As a supplement to that compliance filing, the Company submits the following revised tariff sheets.

The revised tariff sheets are designated as follows:

| | | |
|-------------------------------------|-------------|---|
| Third Revision of Sheet No. INDEX.3 | | Tariff Index |
| First Revision of Sheet No. 57.2 | Schedule 57 | Mercury Vapor Street Lighting Service No New Service |

In the December 6, 2013, compliance filing the Company included revised tariff sheets that required changes to the currently suspended tariff sheets to effectuate Order 05. Per discussions with Commission staff, the Company is making this supplemental compliance filing to include the revised tariff sheets identified above that were included in the initial filing and suspended in Order 01, but were not included in the December 6, 2013 compliance filing because no changes to the currently effective tariff sheets are necessary to comply with Order 05. For clarity, Attachment A identifies the proposed revised tariff sheets included in the initial filing.

The Company requests an effective date of December 11, 2013, for the tariff revisions.

Please direct any informal inquiries regarding this filing to Gary Tawwater, Regulatory Affairs Manager, at 503-813-6805.

Sincerely,

William R. Griffith
Vice President, Regulation
Enclosures
