- Filed electronically and via regular mail

Dear Mr. Danner:

The purpose of this filing is to comply with the Commission's Twelfth Supplemental Order: Rejecting Tariff Filing; Approving and Adopting Settlement Stipulation Subject to Modifications, Clarifications, and Conditions; Authorizing and Requiring Compliance Filing in consolidated Docket Nos. UE-011570 and UG-011571. The attached report describes Puget Sound Energy's low income bill assistance program, the Home Energy Lifeline Program ("HELP"), for the 2008 program year (the 12-month period October 2008 through September 2009).

Puget Sound Energy first implemented the HELP program in accordance with the terms outlined in Exhibit G to Settlement Stipulation Agreement approved by the Commission in consolidated Dockets UE-011570 and UG-011571 Twelfth Supplemental Order dated June 20, 2002. Program details and funding level have since been modified in consolidated Dockets UE-060266 and UG-060267 and Docket Nos. UE-072300 and UG-072301. This annual report meets the Commission's requirements by providing the following HELP information: the number of participants, the total amount of assistance paid, and the average level of assistance per household.

Please contact Mei Cass at (425) 462-3800 for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.
