Re: *Washington Utilities and Transportation Commission v. PacifiCorp D/B/A Pacific Power & Light Company*, Docket UE-130043.

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 05 in Docket UE-130043 Rejecting Tariff Filing; Accepting the Multi-Party Settlement Agreement, Authorizing Tariff Filing, And Requiring Compliance Filing in this docket (Order). The Order, among other things, rejected tariff proposals by PacifiCorp d/b/a Pacific Power & Light (PacifiCorp), but authorized the Commission Secretary to approve by letter, with copies to all parties, revised tariff sheets that comply with the requirements of the Order.

On December 6, 2013, PacifiCorp filed electric tariff sheets as specified in the Order. A list of the tariff sheets is attached to this letter. PacifiCorp's filing reflects a slightly higher revenue requirement than the level reflected in the Commission's Order. In complying with the Commission's Order, PacifiCorp removed the revenue requirement associated with the Merwin Fish Collector. This resulted in a corresponding reduction in deferred income tax and thus increased the overall revenue requirement. The increased revenue requirement is more accurate and material to the substance of the Order. The Commission has examined the filing, and it appears to comply with the terms of the Order.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of December 11, 2013.

Sincerely,

STEVEN V. KING
Executive Director and Secretary
