Re: *Washington Utils. and Transp. Comm 'n v. PacifiCorp d/b/a Pacific Power and Light Company*
Refunding Uninvested Capital
Docket UE-250086

Dear Jeff Killip:

On February 28, 2025, the Washington Utilities and Transportation Commission (Commission) issued Order 03 in Docket UE-250086 - a subsequent filing to Docket UE-230172 - requiring PacifiCorp d/b/a Pacific Power and Light Company (PacifiCorp or Company) to refund uninvested capital to ratepayers.

On March 7, 2025, PacifiCorp filed revised tariff sheets for Tariff WN U-76, refunding the revenue requirement differential of approximately \$64,000 associated with investment in the Foote Creek II-IV wind project in 2023. A residential customer with typical consumption of 1,200 kWh per month will see a bill decrease of \$0.02 per month.

Commission Staff have reviewed the Company's compliance filing and believe the revised tariff pages comply with Order 03. The revised tariff sheets will become effective April 3, 2025.

Sincerely,

Kristen Hillstead
