To: TR-060116 - File

From: Pam Smith, Transportation Specialist

Subject: TR-060116 –City of Auburn GCPF Project

On June 28, 2006, the Washington Utilities and Transportation Commission (commission) awarded a GCPF grant of \$20,000 for installation of “Qwick Kurb” along the centerline to create a median barrier where the BNSF rail line intersects West Main Street, 3rd Street NW, and 37<sup>th</sup> Street NW.

On July 2, 2007, the City of Auburn submitted a request for reimbursement for work pursuant to commission order. Commission staff conducted a site visit on July 19, 2007, and verified that the project was in substantial compliance of the specifications outlined in the order approving the grant.
