Dear Sirs,

I understand that Murreys Disposal Co. has filed a request for a rate increase for recycling and yard waste disposal.

I am forced to take recycling in order to have 2 or 3 small plastic grocery bags of household waste picked up each week.

I'd like household waste picked up just twice per month and be allowed to carry my recyclables the three miles to the recycle station.

Murreys won't allow either.

I don't object to their increase for yard waste, I do need that service.

What can you do for me and others in like fix?

Sincerely, Betty L. Wise
