Re: DOCKET UT-081485 and the 2008 Telecommunications
Companies Annual Report

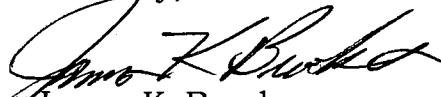

Dear Mr. Danner:

In Order 01, of Docket UT-081485, effective November 13, 2008, Inland Telephone Company ("Company") was granted, in part, a Petition for Minimal Regulation of Bundled Telecommunications Services, Subject to Conditions. Accordingly, the Company "must annually certify in the manner required by RCW 9A.72.085 that it is in compliance with this Order and RCW 80.36.332."

Section V of the 2008 Telecommunications Companies Annual Report is the Certification as to Bundled Services. The Company filed the Annual Report with the Washington Utilities and Transportation Commission (transmittal dated April 27, 2009) leaving Section V blank. Since Section V is an affirmative certification and the Company did not offer any bundled services in 2008, Section V was intentionally left blank.

If you should have any questions or need further information, please call me at (509) 649-2578.

Sincerely,

James K. Brooks
Treasurer/Controller
