RE: Docket UT-081973 (Advice No. 3653T, Replacement No. 2)

ATTENTION: Sharyn Bate

Dear Ms. Washburn:

As a result of customer discussions, Qwest is replacing Sheets 12 and 15 to make two changes in the filing. The unidentified percent interstate usage floor will change from 3% to 5%. Language will be added to clarify the customer's dispute options in the event the customer believes that the intrastate rate should not be applied to the unidentified traffic in excess of the floor.

If you have any questions concerning this filing, please contact Sue Henson at 206-345-4341.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds". The signature is written in a cursive, flowing style.

Mark Reynolds
