Special Study Information:

Remarks:

Mr. Robert "Bob" Ostrowski, Owner was contacted at the carrier's terminal located at 5071 Building Center Drive Coeur d'Alene Idaho on November 28, 29 & 30, 2011, for the purpose of conducting an intrastate authority review. This carrier has temporary authority to operate in Washington state and required a full compliance review/investigation in order to be reclassified as having permanent intrastate authority.

INVESTIGATIVE REPORT RECEIVED BY:

Robert Ostrowski
Owner
Alliance Moving LLC
November 30, 2011

REASON FOR INVESTIGATION:

This review is required for Washington intrastate new entrant house goods carriers.

SCOPE OF INVESTIGATION:

Full intrastate compliance review/investigation.

CARRIER OPERATION DESCRIPTION: Alliance Moving LLC is owned 100% by Mr. Robert Ostrowski and operates three straight trucks and employees four non-CDL drivers as an interstate and intrastate household goods carrier.

Mr. Ostrowski reported gross year to date revenue of \$260,000.00 for all operations including intrastate and Washington intrastate.

PRE-INVESTIGATION:

The carrier was requested to produce the following information at least 48 hours before this compliance review was scheduled:

- * Financial responsibility
- * Crash information
- * Driver qualification files
- * Hours of service records
- * Inspection, repair and maintenance records including annual (periodic) inspections

ALLIANCE MOVING INC

State #: HG 63854

Review Date:

Part C

- * Controlled substance and alcohol testing records.
- * Commercial driver's license information.

CDLIS (DRIVER LICENSE) CHECK:

Washington State Department of Licensing was used to check to status driver's licenses. All drivers checked were found to be in compliance.

DRIVERS WITH RED FLAG VIOLATIONS:

No drivers with Red Flag Violations.

INVESTIGATION:

The company maintains supporting documents consisting of bills of lading, daily trip records, roadside inspection reports, fuel receipts and other data. Mr. Ostrowski is responsible for all documents and records. All documents are located at the carrier's principal place of business. Files are maintained by driver, trip or date depending upon the type of record.

In conducting this compliance review I examined records pertaining to CFR 49, Parts 387, 390, 391, 392, 393, 395, and 396 as adopted by the UTC in WAC 480-30-999.

Violations found in this review included driver qualification files errors as they did not contain all required background investigations. Other violations were found in 382.401(a), 391.11(b)(6), 391.25(c)(2) and 396.3(b)(2). Most violations were immediately resolved by Mr. Ostrowski before I departed from the terminal. This carrier did not operate in any emergency operations in the last 12 months. No driver was required to have a medical waiver.

There were no critical or acute violations found.

The carrier's safety rating is satisfactory.

Mr. Ostrowski has access to the federal and state regulations via the internet. A copy of the current UTC safety guide was provided.

The carrier is appropriately managed and operates safely. As result, it will be this investigators recommendation that permanent authority to operate intrastate Washington will be requested.
