COMMISSION

TO: Dave Pratt, Assistant Director, Transportation Safety
FROM: Tina Leipski, Transportation Specialist 3
DATE: August 9, 2011
SUBJECT: Docket TV-110061; Application for Permanent Authority

On January 4, 2011, American Movers, LLC, filed Docket TV-110061 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-64124, since January 31, 2011.

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Bruce Grimm completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Grimm found the company in general compliance and on July 21, 2011, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-64124 is in order as follows:

- Records Center does not have an annual report on file since the company wasn't issued authority until 1/31/11.
- Financial Services has no report on the company.
- The commission does not have any outstanding penalty or other fine against THG-64124.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant TV-110061 without hearing and reissue Permit. THG-64124 to HG-64124 to American Movers, LLC, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
