To: TR-131720 - File

From: Betty Young, Compliance Investigator, Transportation Safety

Subject: **TR-131720 – Washington & Idaho Railway**
Completion of Grade Crossing Protective Fund (GCPF) Project
Bishop Blvd in Pullman – USDOT #066274K

On November 4, 2013, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$19,566.78 to Washington & Idaho Railway (WIR) for upgrades including installation of an upgraded train detection system, new crossbucks, LED lights and light kits, and replacement of the battery charger and surge protection panel. The USDOT is #066274K. The estimated total project cost was \$19,566.78.

On May 27, 2014, WIR submitted a request for reimbursement. Rail Safety signal inspector Cory Caron conducted a site visit at the crossing on June 9, 2014, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
