Subject: Follow up to TC-132141; Required report by 2/1/2014

Good Morning David,

As required by TC-132141, the attached file is a report covering the services provided under the exemption for the period beginning December 15, 2013 through January 14, 2014.

A specific report structure was not specified in TC-132141, therefore we have provided the following information:

- 1) Detailed information on applicable reservations; no customer names are listed, however we can provide this information, just so long it does not become public without prior consent from the customer.
- 2) Contractor information for the contractors who provided the exemption services.
- 3) Trip and revenue totals for the overall reporting period and specific to the exemption.

Please let me know if UTC requires additional information.

Thank you.
