RE: *Washington Utilities and Transportation Commission v. Matthew S. Crossette*

Staff's Request to Rescind Penalty Assessment
Docket TV-140953

Dear Mr. King:

On June 4, 2014, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket TV-140953 against Matthew S. Crossette for 10 violations of Washington Administrative Code (WAC) 480-15-480, which requires household goods carriers to furnish annual reports to the commission no later than May 1 each year.

The company contacted the commission on August 3, 2014 requesting to voluntarily cancel their operating permit. On August 14, 2014 the commission ordered the cancellation of the provisional operating authority and dismissed the application per Order 01 on Docket TV-143092. As the company may no longer operate within Washington, staff requests the penalty be rescinded and close the above referenced docket.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or aandrews@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services
