Re: TV-160961 – Issuing Permanent Household Goods Permit HG067284

Dear Redefyne Moving LLC:

On July 29, 2016, Redefyne Moving LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On August 5, 2016, the Commission approved the application in part and granted Redefyne Moving LLC temporary authority to provide those services.

The Commission has determined that Redefyne Moving LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG067284 issued in the name of Redefyne Moving LLC is enclosed, and the company may now operate on a permanent basis.

Redefyne Moving LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
