Subject: BKA, Inc. Kitsap Schedule #50

The previous filing for this change dated April 26, 2017 contained errors in departure times for the first four service locations on our schedule. Only arrival and departure times were to be affected. Accordingly, attached revised schedule makes necessary corrections.

It is requested that effective on June 1, 2017, the following schedule change be made to BKA, Inc. Kitsap Schedule #50. The single change advances all arrival and departures times at Sea-Tac Airport by ten minutes. This change is necessary due to ascertaining a more realistic arrival and departure time for each run.

Sincerely,

Richard E. Asche
