SCHEDULE NO. 3
READY TO SERVE SERVICE

Available

Within the limits of all Water Service Areas and at utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

To any property owner who has completed and signed a Water Service Application, paid all applicable fees required for meter service connection, and had Water Service Application accepted in writing by the utility: and for whom the utility has installed the direct connection from the water system to the applicant's property line. Applicable to domestic residential customers, where meters have not yet been installed.

Conditions

The charge for this service is not subject to cancellation or reduction for seasonal or temporary periods, unless seasonal rates apply per this tariff. This charge will be the monthly minimum bill for this class of service. At the time water service begins, the customer shall be transferred to Schedule 2, Metered Service

Monthly Rates

Each connection or customer

\$44.00

(1)

Note: The Ready To Serve charge may be discontinued upon receiving written request from the customer or for non-payment of the Ready to Serve charge. Termination of the charge will allow the utility to remove the service line and/or connection. This disconnection or removal will allow the Utility to make that available service capacity to supply other connections on the water system.

After a service line and/or connection has been removed for discontinued service, future service to the property will require a new application for service, payment of service connection charges and will be subject to the availability of service capacity at such time as the future application for service is made.

SCHEDULE NO. 4
IRRIGATION RATE SERVICE

Available

Within the limits of all Water Service Areas and at utility's capability to maintain standards of quantity and quality for this type of water service.

Applicable

Applicable to irrigation customers served by the utility.

Conditions

Charges for this service will be billed and paid annually. Bills to be sent out April 1st each year. Payments are due April 30 for a one-time payment or, at the customer's option, payments may be made on a semiannual basis with the first half due April 30th and the second half due July 31st.

(C)

Irrigation season to run from April 1st - October 15th each year.

(C)

Irrigation Rates

Outlet Fee per connection or customer annually, plus

\$343.24*

(I)

Per acre usage charge, prorated to reflect the actual size of the customer's lot, based on county assessor records

\$408.24 per acre*

(I)

For new customers that begin service after April 1st of each year, the charges will be prorated based on the number of days of service beginning with the date of activation of service by the utility.

(C)

*These rates become effective January 1, 2019
