Re: TV-190827 – Issuing Permanent Household Goods Permit HG068988

Dear GM Move Transport LLC:

On October 1, 2019, GM Move Transport LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On October 24, 2019, the Commission approved the application in part and granted GM Move Transport LLC temporary authority to provide those services.

The Commission has determined that GM Move Transport LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG068988 issued in the name of GM Move Transport LLC is enclosed, and the company may now operate on a permanent basis.

GM Move Transport LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company’s permit.
