Subject: **TR-200098 – Columbia Basin Railroad**
Completion of Grade Crossing Protective Fund (GCPF) Project
McManamon Road - USDOT 396437C

On March 12, 2020, the Washington Utilities and Transportation Commission (UTC) awarded a GCPF grant totaling \$20,000 to the Columbia Basin Railroad Company, Inc. (CBRR) to fund a portion of project related to upgrading the train detection equipment and backup batteries at the McManamon Road crossing near Othello, (USDOT 396437C). The actual cost of the project was \$55,630.62.

On July 27, 2020, CBRR submitted a request for reimbursement. Rail Safety staff inspected the crossing and confirmed that the installation was completed according to the specifications outlined in the order approving the grant.
