Penalty Assessment: TV-200627

To whom it may concern:

In addition to my prior submission I would like to touch base on my violations on a case by case basis. In regards to WAC 480-15-555 I have successfully obtained background checks for all of my employees & will continue to do so moving forward. In regards to 49 CFR 391.45(a) all of my drivers have now obtained their medical examiners certificate & future drivers will be required to do so also. In regards to 49 CFR 391.51(a) I will be putting together a Safety Management Plan which will further explain my plan to continue my corrected behavior moving forward & have compliant driver qualification files readily available. In regards to 49 CFR 395.8(a)(1) my drivers now record their duty status on a daily basis & submit them to me monthly. In regards to 49 CFR 396.3(b) & 49 CFR 396.17(a) I will now keep my inspection records, proof of service & maintenance records in order to provide them.

I would like the above statement to be added & considered in my original mitigation of penalty files, thank you very much.

Warm Regards

Deavondia Taylor
