RE: Notice of Possible Collection Action, Penalty Assessment Invoice No. 6070

Dear Sir or Madam:

As you are aware, on October 13, 2020, the Washington Utilities and Transportation Commission issued a Penalty Assessment against PGH Excavating, Inc. in the amount of \$1,000 for violations of RCW 19.122.055 by failing to provide the required notice to facility operators through a one-number locator service before excavating and causing damage to an underground natural gas facility. Payment was due by October 29, 2020.

The Commission sent you a Final Notice dated November 30, 2020, indicating that the balance of \$1,000 was due. To date, the Commission has not received payment of the balance due.

This is to notify you that the Commission may forward your outstanding debt to a collection agency for collection. In that event, you likely would incur additional expenses and fees, including costs of collection, attorney's fees, and interest, which would be added to your outstanding \$1,000 balance.

If you have any questions about this letter, or about your obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Sally Brown, WSBA No. 17094
