**Re: Application to Amend Certificate of Public Convenience and Necessity
 UG-210784-2nd Supplemental**

Dear Ms. Maxwell:

After consultation with Washington Utilities and Transportation Commission (“WUTC”) Staff, Cascade Natural Gas Corporation (“Cascade”) submits the following attached **revised** supplemental appendices to UG-210784, Application to Amend Certificate of Public Convenience and Necessity. The maps included in the appendices depict the area being added as well as the surrounding area with docket numbers for reference. The original supplemental maps did not have the current docket number UG-210784 on them. Cascade has also added the legal descriptions to each of the Appendices.

- UG-210784-CNGC-2nd Supplemental-Appendix A-2-12.10.21.pdf
- UG-210784-CNGC-2nd Supplemental-Appendix A-4-12.10.21.pdf
- UG-210784-CNGC-2nd Supplemental-Appendix A-11-12.10.21.pdf
- UG-210784-CNGC-2nd Supplemental-Appendix A-12-12.10.21.pdf

One concern Staff had was that the legal description for the map in Exhibit B-2 in the original filing had not been incorporated into Appendix A-12. This legal description as been included in this 2nd Supplemental filing.

In preparing the Supplemental filing, Cascade discovered corrections that were required to two of the legal descriptions provided in Exhibit B of the original filing. The following attachments provide the correct legal descriptions for two of the areas being added.

- UG-210784-CNGC-1st Supplemental-Exhibit B-10-12.10.21.pdf
- UG-210784-CNGC-1st Supplemental-Exhibit B-11-12.10.21.pdf

Finally, Staff had asked the Company for information on the first date of service in each of the areas of the Appendices being modified. That information is as follows:

Appendix	Town	First Date of Service
