**Re: Do Not Redocket - Electric and Natural Gas Tariff Revisions – Notice Verification
Dockets UE-230694 & UG-230695 (Advice Nos. 2023-33 & 34)
Dockets UE-230692 & UG-230693 (Advice Nos. 2023-35 & 36)**

Dear Executive Director Hunter:

On August 31, 2023 and September 1, 2023, Puget Sound Energy (“PSE”) provided public notice of the above-referenced filings in the form of a published notice within 30 days of the requested effective date of October 1, 2023, in accordance with WAC 480-90 & 100-194(2). However, PSE subsequently discovered a scrivener’s error in the Change column of the Electric Rate impacts table and ran a correction in area newspapers in order to correct the error.

Copies of the published notices that appeared in area newspapers on September 12, 2023 are attached. PSE also provided a copy of the notice to community agencies, posted the notice on pse.com and provided notice to news editors of area newspapers, television and radio stations.

Please contact Veronica Martin at veronica.martin@pse.com for information about this notice publication or the posting. If you have any other questions please contact me at (425) 456-3946.

Sincerely,

/s/ Birud D. Jhaveri
