RE: Tariff Submittal – Tip Fee Increase, Tariff Number 14, Mason County Garbage Co., Inc., Certificate Number G-88. Corrected Pages. Please do not re-docket TG-230947.

Dear Ms. Hunter:

Upon review it was discovered that an incorrect Tip Fee was used (\$131.02 per ton or 9%) on the original filing. The correct Tip Fee of \$126.69 per ton or 5.4% increase has been used to calculate the correct rates. The Tariff pages impacted have been corrected and are being submitted.

With this updated rate, we project this will increase revenue for residential service by \$70,000, 1.90%; for commercial service by \$34,000, 2.82%; and drop box service by \$48,000, 5.40% for a 12-month period. There are approximately 13,500 residential, 1,100 commercial and 100 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective March 1, 2021.

Attached are the tariff pages as well as supporting documentation containing the increased rate calculations. Please note customer counts and tonnage reviewed and approved in TG-210038 were used in this filing.
