**RE: Docket UE-240770—PacifiCorp and Kern River Gas Transmission Company
Affiliated Interest Transaction—Washington Cost Estimate**

On October 16, 2024, PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submitted a notice of an affiliated interest transaction with Kern River Gas Transmission Company (Kern River), for a Right of Way and Easement Grant (Easement) allowing PacifiCorp to construct, reconstruct, operate, maintain, relocate, enlarge, alter, and remove electric power lines, communication lines, and related equipment, including supporting towers and poles, guy anchors, conductors, wires, cables and other lines, and all other necessary or desirable equipment, accessories and appurtenances thereto on, over, and under the easement area on Kern River's land.

At the request of Staff, PacifiCorp is filing this letter to provide the estimated Washington impacts of this transaction. Based on estimated costs of \$1,497,000 reflected in the initial filing, an approximately 8 percent allocation (system generation (SG) allocation factor) will result in a cost impact to Washington customers of approximately \$119,760.

Please contact Ariel Son at (503) 813-5410 if you have any informal questions.

Sincerely,
