**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
LESS THAN STATUTORY NOTICE REQUESTED BY:**

*** Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**

An indefinite, temporary discontinuance of operations for twelve months effective 05/10/2025

*** Present provisions are:**

N/A. No currently effective tariff is posted for BC-000117

*** Proposed changes are:**

Temporary discontinuance

*** Explain why the company is proposing this tariff revision:**

As explained in detail in the Company's March 19, 2025, Petition, the Company is seeking a suitable vessel to allow it to resume these commercial ferry services. The Company is submitting its petition for exemption and LSN form prior to the May 8, 2025 open meeting in order to comply with WAC 480-07-900(5)(b), consistent with Staff's understanding.

*** Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**

The Company has provided more than 30 days notice to the Commission, by filing its petition in this docket on March 19, 2025. The Company contends that RCW Title 81 does not require a separate, 30 days' notice to the public of the Company's intent to discontinue operations. To the extent it does, the Company here requests less than statutory notice for any required public notice. WAC 480-51-130 explicitly requires that the Company provide 15 days' notice, and the Company requests an exemption from this rule as well.

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

ORDER

The Commission finds good cause to support the request and authorize the proposed changes to become effective with Less Than Statutory Notice on:

DATED and signed at Lacey, Washington, this 08 day of May/2025 (Month/Year)

By direction of the Commission,

Jeff Killip
Executive Director and Secretary
