Re: Basin Disposal, Inc. – G-118 – B&O Increase

On behalf of Basin Disposal, Inc. - G-118, I am filing certain revised tariff pages and other documents requesting a rate increase effective December 1, 2025. This filing is necessitated by the state Business and Occupation (B&O) tax increase from 1.75% to 2.10% effective October 1, 2025

If this filing is approved by the Commission, the hauler's overall revenue will increase approximately 0.35%, or \$19,300. The revenue breakdown is:

	Gross Revenue Increase	Approximate Customer Percent Change
Residential	\$7,700	0.35%
Commercial	\$6,300	0.35%
Drop Box	\$5,300	0.35%
Total	\$19,300	0.35%

Included with this filing is an Excel workbook titled [BDI-B&O Rate Calculations 2025.xlsx]. Customer counts and annual pick-ups used in the calculation were taken from the final audited workbook from BDI's last General Rate Case, TG-230187.

Revised tariff pages are included with this filing titled [BDI Tariff No. 95 G-118 - BO Tax - 10.13.2025].

Basin Disposal, Inc. is filing this as confidential pursuant to WAC 480-07-160.

The Company is requesting this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on December 1, 2025. Pursuant to WAC

480-70-271(2)(a)(iii), affected customers will receive notification of this change in the billing reflecting the revised rates.

Respectfully,

A handwritten signature in black ink, appearing to read 'F. Alcala', with a stylized flourish at the end.
