Mr. Bob Hart  
Hoodsport Market  
N 24230 Highway 101  
Hoodsport, Washington 98548

Dear Mr. Hart:

Upon receiving your April 25 telephone call, I contacted Evergreen Land & Water, Inc. concerning your dispute regarding the billing of the commercial account at the Hoodsport Market.

The company indicates that the market is an existing business and should be charged under Rule 14 (enclosed), of its tariff filed with the Washington Utilities and Transportation Commission. As I explained to you on May 8, on an informal basis I cannot order the company to discontinue billing you the commercial account charges. I further explained that your recourse would necessarily be through a formal complaint filed in the format dictated in the Rule of Practice and Procedure previously mailed to you.

If you have further questions, please call me toll-free at 1-800-562-6150.

Sincerely,

J.R. Parks  
Utilities Service Examiner
