RE: Notice of Termination for Letter of Credit Agreement
Docket UE-950490

Dear Mr. Johnson:

On April 25, 1995, PacifiCorp (Company) filed an application for an order with the Washington Utilities and Transportation Commission (Commission) affirming that the Company had complied with the requirements of RCW 80.08.040 with respect to its proposed borrowing of the proceeds of not more than \$125,000,000 of Pollution Control Revenue Bonds.

On May 24, 1995, the Commission issued an Order Granting the Application. In its Order, the Commission required the Company to file, "Verified copies of any agreement entered into in connection with any transaction pursuant to this order."¹

On April 10, 2019, the Company filed notice with the Commission that it terminated the credit agreement. Staff finds the filing complies with ordering paragraph 2.2 of the May 24, 1995, Order.

Sincerely,

David Panco
Regulatory Analyst
