Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff #14

Dear Mr. Killip:

Enclosed, please find replacement pages for TG-240124. These tariff pages reflect changes to the disposal calculation workpapers and workpapers discussed with staff. Additionally, these replacement pages reflect the increase in the Douglas County Fee as mentioned in my initial transmittal letter. The Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County is set to expire on March 31, 2024. The new fee for 2024 is \$220,110.15. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014.

Enclosed for your review are our accounting work papers that reflect the calculation of the fee as well as a copy of the letter we received from Douglas County. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,

*Evan Burmester*
