RESPONSE TO NOTICE OF DECLARATION

RE: TG-080913, TG-081089, TG-082129

Dear Mr. Danner,

Subject: Mediation Confidentiality Agreement for the meeting on February 25, 2009

On February 25, 2009, I was a participant in the mediation process representing the complainant's interest as outlined in TG-082129. Having fully read and with understanding, the above referenced confidentiality requirement for participation in the process, I assigned my name to the document.

I assert that I have not discussed with anyone other than the complainants involved in TG-082129 statements of position, offers of settlement or any tentative agreements, admissions of fact or law or similar statements that arose during the course of the mediation.

Respectfully submitted,

**Shelley A. Damewood
