Based on the evidence today, Staff has requested that 33 of the companies deemed in the complaint be dismissed from the case because they have come into compliance and to dismiss seven of the companies because they have cancelled their household goods permit. Staff has also presented evidence that 15 of the companies have failed to either properly file an annual report or submit sufficient regulatory fees. Therefore, I would ask the Commission to fine the remaining 15 companies that have failed to comply with the report and fee requirements and to take an appropriate action as the Commission sees fit. Thank you. JUDGE DOROSHKIN: Okay. MR. FUKANO: And may I actually call my witness just very briefly? I have one more question to ask.	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	MR. FUKANO: How would the Court prefer to be notified if the two remaining companies do come into compliance? JUDGE DOROSHKIN: Email is fine to me. MR. FUKANO: Okay. Nothing further from Staff. JUDGE DOROSHKIN: Okay. Anyone else? All right. Then we are adjourned.
